

SERIAL NUMBERED METAL NAMEPLATES, LABELS & DECALS

If your nameplates, labels, or decals require a serial number, look no further than American Nameplate. Whether you need a permanent stamped serial number on various metals, engraved serial numbers on metal or plastics, a printed serial number on metal, labels or decals, or linear or 2-D barcoding requiring either laser marking or photo seal, we are capable of serializing all your identification needs. We can also supply nameplates, labels or decals to comply with the military IUID type 1 or 2 marking requirements, we can also help. Give us a call to discuss how American Nameplate can help.
